### Article 1: General

The lessee is the person who made the reservation of the accommodation in his/her name and is responsible for the proper use of the materials. The loan of bicycles can only benefit travelers staying at Villa Athéna, to the exclusion of any other person.

### Article 2: Special precautions

It is forbidden to drive on a beach, marsh or lagoon. Cleaning/dismantling and maintenance costs (€100) will be required if the cycle has been in contact with the beach, the lagoon or seawater (corrosion problem).

In the event of a breakdown, it is forbidden for the lessee to intervene on the equipment without the agreement of the owner.

### Article 4: Guarantee

The lessee is asked to pay a guarantee of €150 in cash per bicycle. It is not cashed during the term of the loan. When the equipment is returned, the deposit is returned, less any damage. In the event of breakage or theft, the equipment will be invoiced to the tenant on the basis of its value, minus a percentage of obsolescence of 10% per year. A lump sum of 20 € will be due in the event of deterioration of the paint (torn off, scratches) and in the event of a punctured inner tube.

### Article 5: Liability insurance

The tenant certifies that he has insurance covering the risks relating to the rental of a bicycle (see multi-risk home insurance). Under the Civil Code (articles 1383 and 1384) the tenant is personally liable for any breach of French law and is liable for bodily injury and material damage caused by the use of the rented equipment.

### Article 6: Restitution

The materials must be returned on the agreed day and time. If the Villa Athéna lender has not been informed of the delay, he will reserve the right to impose a fee of €20.
